**Here's How Well God Knows You**

*Even the very hairs of your head are all numbered.*

*-Matthew 10:30*

*Joe Barnett*

God is interested in the smallest details of your life. You don't have a clue how many hairs are pushing through your scalp, do you? (The average is about 140,000.) Your Father knows your exact number.

Not only does he know the total count, he knows the number of each hair. The text doesn't say the hairs of your head are *counted*—it says they are *numbered*. Bible scholars—such as Lenski, Wiersbe, and Zodhiates—assert the language means *each* hair has a number. When a hair falls from your head, God knows precisely which one it is—number 14,754. He knows you down to every single hair on your head.

Nothing is too big for him to do, and nothing about you is too small for him to care about.

*There's a lot you don't know about God.*

*There's nothing God doesn't know about you.*

"Continue steadfastly in prayer..." (Col. 4:2).
